

BENEFITS OF MEMBERSHIP

- Support ecological lake and land health
- Information to understand the environmental impact of the lake to our community
- Plant management and restoration
- Lake safety and buoy maintenance

WHY BE A MEMBER?

The LMA purpose is to promote understanding of Lake Manitou, its watershed and ecosystem. By submitting their findings to the DNR, the LMA also helps protect, restore and manage the Lake Manitou ecosystem.

The LMA keeps the public informed of the happenings and needs of our beautiful lake. Fundraisers such as Lakefest, Poker Runs, memberships, and grants help LMA do its job.
